Vertex Identity Diagram Check

Core Topologies

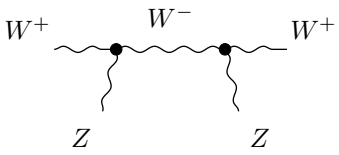

Bare half-box

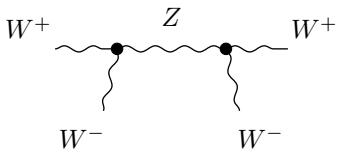

Flat contact

W/Z half-box

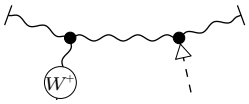

Charged lower legs

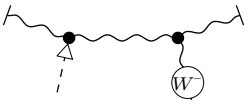

Half-Propagator Mode

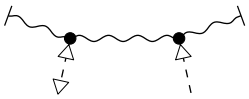

`halfpropleft`

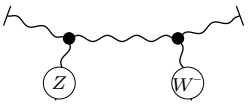

`halfpropright`

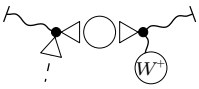

Proca lower leg

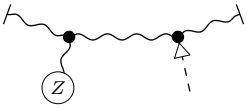

Circ only lower legs

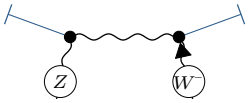

Proca bridge only

Lower circ position

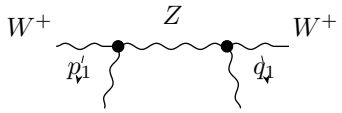

Explicit leg styles

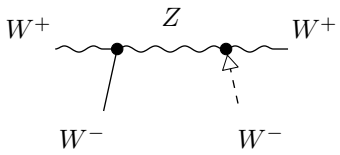

Focused Momentum

Selected lower momentum arrows

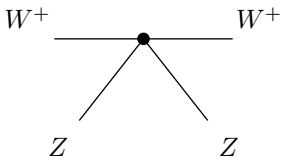

Line Styles

Scalar-polarized leg points inward

Plain flat contact

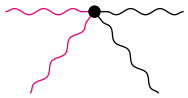

Color Controls

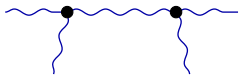

Half-box edge colors

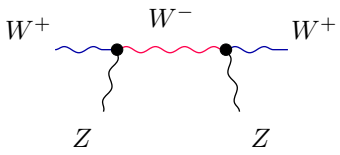

Hot-pink flat contact

Global color

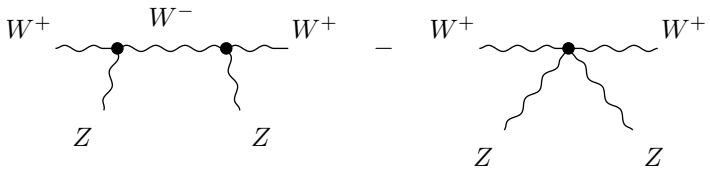

Mixed color and labels

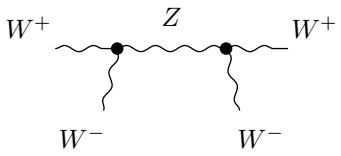

Reduction Sketch

Example-level composition

Dispatch

`\FourPointCorr` **half-box**

`\FourPointCorr` **flat-contact**
